RE-USEABLE EAR PLUGS
DR-118C

DR-118C

Description

The Dromex® DR-118C, high visibility soft pliable, corded thermo plastic rubber ear plugs are designed with optimum protection and comfort of the ear canal offering the highest level of protection against noise.

These easy to insert, lightweight, non-toxic, non-irritating waterproof are washable, reusable and easy to carry.

The DR-118C is comfortable for long-term wear in hot, humid work areas. Individually packed for hygienic dispensing even when installed in dusty production areas.

Suitable for use in environments such as machining, grinding, steel-cutting and woodwork.

Special Instructions

- Do not share ear plugs as ears can be exposed to ear infections.
- Ear plugs should be worn properly at all times in noisy surroundings.
- The ear plugs should be fitted, adjusted and maintained in accordance with instructions provided in the packaging.
- If the recommendations are not adhered to, the protection afforded by the ear plugs will be severely impaired.
- The ear plugs may be adversely affected by certain chemical substances; avoid the use of agents (i.e. solvents and other disinfectants) that are known to be harmful to the wearer and/or the ear plug.
- Regularly inspect for tears or cracks and replace if service ability is suspected to be affected. Corded ear plugs should not be used where there is a risk that the connecting cord could be caught up during use.
- Sounds above 85dB are harmful to the ears.

Compliance & Conformity

This product has been tested according to EN 352-2:2002 and it complies with Regulation (EU) 2016/425 Personal protective equipment. EU type examination certificate (Module B) issued by ALIENOR CERTIFICATION, 21, rue Albert Einstein ZA du Sanital 86100 CHATELLERAULT, France. Notified Body number: 2754
The PPE is subject to the conformity assessment procedure based on quality assurance of the production process (Module D) set out in Annex VIII (Category III) under surveillance of CCQS Certification Services Limited. Block 1 Blanchardstown Corporate Park, Ballycoolin Road, Blanchardstown, Dublin 15 D15 AKK1, Ireland. Notified Body number: 2834.

Materials

None of the materials used in the manufacture of these products are known to adversely affect the hygiene or health.

Fitting your Reusable Ear Plugs

1

Hold the stem of the ear plug firmly behind the largest flange.

2

Reach over your head with the opposite hand and pull the top of your ear to open the ear canal. While you are still holding the ear open, push the smallest flange of the plug into your ear canal, twisting the plug slightly as you push.

3

For the best noise reduction, insert plugs as deeply as possible.

4

Here is the reusable ear plug properly positioned in the ear canal.

Disposal

All industrial waste should be disposed of correctly as per local regulations and good disposal practice. Hearing protective devices should be disposed of considering the hazardous substance they were used for. Please consider recycling.
