## ARC FLASH EQUIPMENT STORAGE BAG

DW-ARCBAG

### Description

The Dromex® DW-ARCBAG is a duffel bag designed to house the full head to toe Dromex 55cal or 100 cal arc switching suit, ideally for travelling and for easy storage when not in use.

This bag accommodates the following:

- The Dromex® arc bib pants and jacket (55 and 100 cal/cm<sup>2</sup> configurations).
- The Dromex® arc switching hood (55 and 100 cal/cm<sup>2</sup> configurations).
- The Dromex® arc flash gloves.
- The Dromex® arc Flash Tread Safety boots.

This bag features the following:

- A detachable padded shoulder strap.
- Durable Oxford polyester fabric.
- The inner lining of the bag is waterproof keeping your equipment dry.
- The central compartment features 2 x 2 way zippers for ease of securing with a lock for safe keeping especially when traveling.
- 3 Outer bag storage compartments with zip closure.
- A base shaper for overall support, shape retention and as a bag organizer.
- Streamlined round feet, prevents the bag from tipping over.
- Heavy-duty zippers and sturdy seams.

### Special Instructions

- Do not place sharp items in this bag as sharp edges can tear through the fabric.
- Do not use in environments exposed to heat and fire or open flame.
- Do not over load your duffel bag as this can cause damage to the bag structure and components ( eg broken zippers etc).
- Pack your duffel bag in an organized manner to maximum bag space.
