Description

The Dromex® 6-panel baseball cap is a lightweight, ventilated, and durable construction that is designed to provide comfortable head coverage and sun protection, suitable for everyday wear and outdoor use.

This baseball cap features the following:

- A cotton construction with ventilated woven eyelets, promotes airflow and breathability, enhancing the wearer's comfort in warm outdoor environments.
- An adjustable Velcro rear strap for a secure, comfortable fit, ideal to accommodate various head sizes.
- A curved peak for optimal shade.
- A six panel design for a classic look and a secure and comfortable fit.
- Easily customizable for corporate branding and logo purposes.

Replace the baseball cap when signs of excessive wear, damage, loss of shape, or deterioration of the closure system are evident.

Cleaning & Maintenance

Baseball caps can be spot cleaned by wiping dry with a soft clean cloth or a damp cloth.
Handwash only, using mild detergents.
Water temperatures must not exceed 30 degrees Celsius.
Do not machine wash.
Do not tumble dry.
Do not bleach or use harsh chemicals or solvents to clean your hat.
Do not use fabric softener.
Do not iron.
Do not dry clean.
Line dry or dry flat.

Disposal

All industrial waste should be disposed of correctly according to local regulations and good disposal practice.
Please consider recycling.
