BEANIE

DH-BEANIE

Special Instructions

- Keep all product packaging and protective films out of reach of children due to a suffocation risk.
- All beanies should be thoroughly inspected before and after use to ensure no damage is present. Check if the material is thinning, fraying, or worn out. If the fabric around the tear is weak, repairs may not hold well and the recommendation is to replace.

Specifications

Style: 4 Point double line beanie.
Fabric composition: Outer lining: Acrylic
Inner lining: Polyester
Mass: 65gsm.

Sizes Available

Standard (One size fits all).

Packaging, Storage & Obsolescence

Cleaning & Maintenance

This fabric can be cleaned by home cleaning.

Machine wash and hand wash friendly.

- Water temperature must not exceed 30°C.
- Do not bleach. No bleach product may be used as the garment is not colourfast or structurally designed to withstand any bleach.
- Do not iron.
- Do not dry clean.

Disposal

All industrial waste should be disposed of correctly according to local regulations and good disposal practice.
Please consider recycling.

Sew into inner seam

Description

The Dromex® DH Beanie features a timeless design with a deep, foldable cuff that delivers excellent warmth and insulation, while ensuring a snug and comfortable fit in cold conditions. It is available in three colours, grey, black, and navy blue and can be customised with embroidered branding.

This beanie consists of the following:

- Double layer construction for enhanced warmth.
- Made from a lightweight, durable, soft, and hypoallergenic synthetic acrylic fabric.
- Easy-care design: washable and quick drying for lasting insulation.
- Pleated crown for a secure, snug fit.

Suitable for everyday wear, budget-conscious buyers, and individuals with sensitive skin or wool allergies.
